

Fusion F-16S

SENCO®

FUSION CORDLESS FINISH NAILER

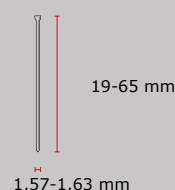

SENCO's F-16S, featuring Fusion Technology, has the power and utility of a pneumatic tool combined with the convenience of a cordless tool to drive 63mm finish nails into the hardest woods. It drives 1,6 (RX) brads ranging in length from 32mm to 64mm. Our patented design provides an instant shot when the trigger is pulled with no ramp-up time. Perfect for trim crews, remodelers, punch-out, or anyone who does not want to deal with the hassle of a hose and compressor. Save up to €230 a year by not having to buy any fuel cells!
